> 1. Urgent call for participants 2nd European Course in Basic
> Neuropathology.

>

> As announced earlier, the Course will take place from 22-26 March 2010 in
> Aachen, Germany. It's organized under the auspices of the European
> Confederation of Neuropathological Societies (Euro-CNS) and supported by
> the European Graduate School of Neuroscience (EURON). The course is
> intended for trainees in general pathology, neuropathology, neurology or
> neurosurgery but also for neurobiologists and PhD students in neurological
> sciences.

>

> A few grants are available. For registration, grant application and
> program details we refer to the website.

>

> http://www.euro-cns.org/Basic_Course_Neuropath_Mar2010.php

>

> Important: if you plan to attend the Basic Course, please register before
> 22 January. The course will be canceled if we have not received sufficient
> registrations by 22 January!

>

> 2. Free papers in Clinical Neuropathology online

>

> The Euro-CNS News section in Clinical Neuropathology is intended as a
> platform for members and readers to share information and experiences. The
> first issue of this year has an introduction to the new series "Current
> Challenges in Neuropathology".

>

> Free papers:

>

> - Euro-CNS News

>

> - Neuropathological biomarker candidates in brain tumors: key issues for
> translational efficiency J.A. Hainfellner and H. Heinzl

>
> 3. Extra Reduced Clinical Neuropathology subscription rate for Euro-CNS
> members. The only condition is that you were not subscribed to Clinical
> Neuropathology over the past 2 years.
>
> Individual Subscribers:
>
> - print and online 110.- Euro including postage
>
> - online only 80.- Euro
>
> Subscription forms are available for download from the Euro-CNS website.

> 4. From the Swiss Society of Neuropathology:
>
> Dear Colleague:
>
> The 23rd International Winter Meeting of the Swiss Society of
> Neuropathology
>
> Growth and Death in the Nervous System to be held in St. Moritz, March
> 18-21, 2010, is approaching fast. Herewith, we would like to draw your
> attention to this upcoming event where leading experts will give an
> overview on the most recent and exciting advances in the neurosciences.
> Please note: We have reserved a limited room contingent at the traditional
> meeting venue, Hotel "Laudinella", which can only be held till January
> 25th. Rooms that have not been reserved by that time will have to be
> returned to the hotel`s disposition.
>
> Therefore, we strongly advise to register for this meeting within the next
> days via the meeting website: [http:// www.ssn.uzh.ch/stmoritz/home.html](http://www.ssn.uzh.ch/stmoritz/home.html)
>
> Looking forward to welcome you in St. Moritz,
>
> Stephan Frank & Markus Tolnay
