> 3. Table of Contents and free papers in Clinical Neuropathology issue
> May/June 2010

>

> Abstracts of all papers are available for free, whereas each issue
> features several free full papers as well. We would like to highlight a
> special (free) article titled 'The history of neuropathology in Italy' by
> Prof. Davide Schiffer, University of Turin. Prof. Schiffer gives insight
> in origin, development and current situation of neuropathology in Italy.
> We also recommend to take a look at the (free) abstracts of the Joint
> Meeting of the Italian Association of Neuropathology (AINP) and the

> Italian Association for Research on Brain Aging (AIRIC) that was just held
> in Squillace, Catanzaro, Italy, May 23-25, 2010.
